MIDWEST BROILER/FRYER - Final majority prices were unchanged from last Monday's final; Ohio cities TFEWR. The market tone on whole fryers was about steady, some indicating a weak undertone. Offerings were moderate for the limited trade interest. Movement covered the full range into all channels; mostly light overall with better demand into fairs and fast food. Floor stocks were manageable, weights desirable to heavy. Offerings of parts were sufficient with boneless/skinless breasts adequate, bone-in breasts and leg quarters fully adequate, and wings varied. Trade sentiment was about steady on wings and leg quarters, steady to barely steady on the balance.
